600'-1 application - \$546.00; 2 applications - \$1,092.00

Additional Footage - \$.91 per foot per application

(Maximum road width we spray is 20 feet)

****County fee of 16.7 cents per foot is included****

PRICES INCLUDE TAX

Calcium chloride is produced from natural brine deposits found underground. It attracts moisture; this is what makes it an excellent dust control agent. **SFG does NOT guarantee complete suppression of dust, because of weather, traffic and road conditions may affect the treated area. Two applications are highly recommended. It is dust control, not complete dust elimination.**

SIGN UP DEADLINE:

May 3rd & July 12th

RETURN PERMIT & PAY-
MENT TO:

SMITH FERTILIZER & GRAIN
702 East Jasper St
Pleasantville, IA 50225

Flags may be picked up at SFG- Knoxville and Pleasantville offices, Jasper County Engineer's Office. Flags must be in place at each end of area to be treated and readily

Our trucks are equipped with computer equipment that measures the exact footage being sprayed. If the flags are not set to the correct footage purchased we will go to the purchased footage. If the area is not marked by flags the driver will use their best judgment for the treated area.

Weather permitting we plan to apply dust control on/around May 27th to May 31st. The second application will be sprayed on/around July 29th to August 2nd. Product SDS sheets are available upon request at Smith Fertilizer & Grain.

Resolution Setting Policy for Dust Control:

1. All charges for dust control services will be processed by the approved contractor. Jasper County will not process applications or accept payment for dust control services.
2. No complaints regarding dust control or the dust control company will be taken by Jasper County; all complaints should be directed to the dust control company.
3. **Jasper County does not require a permit fee but does require a preparation and administration fee in the amount of 16.7¢ per linear foot of applied product. This fee is collected by the approved contractor and forwarded to Jasper County.**
4. Any discrepancy in length of application is between the contractor and the applicant.
5. Sign up deadlines will be set annually by the Jasper County Highway Department. Late applications will not be accepted.
6. All applicants are obligated to mark the limits of their own dust control area and maintain those markings for the duration of the dust control season.
7. Applicants are obligated to fill depressions in the treated area and maintain a smooth driving surface.
8. Jasper County reserves the right to blade through any area that is no longer marked or that has become rough or potholed in order to maintain the integrity of the road surface.
9. Jasper County is not obligated to provide re-application or any compensation for dust control areas that are scarified or bladed.
10. Jasper County reserves the right to blade through any dust control area prior to second treatment.
11. Jasper County will begin preparing all dust control areas for winter on or after October 1 of the current dust control year. This preparation may include scarifying, blading, placement of additional rock, and shaping.

*****Payments will be processed when application is received.*****
