Additional Footage - \$.85 per foot per application
(Maximum road width we spray is 20 feet)

PRICES INCLUDE TAX

Calcium chloride is produced from natural brine deposits found underground. It attracts moisture; this is what makes it an excellent dust control agent.

SFG does NOT guarantee complete suppression of dust, because weather, traffic and road conditions may affect the treated area. Two applications are highly recommended. It is dust control, not complete dust elimination.

Flags may be picked up at the Lucas County Engineer's office and must be in place from May 1st to October 1st. Flags should be placed approximately 6' from the edge of the road on the traffic side for easy visibility. Failure to maintain stakes may result in a loss of dust control.

Our trucks are equipped with computer equipment that measures the exact footage being sprayed. If the flags are not set to the correct footage purchased, we will go to the purchased footage. If the area is not marked by flags the driver will use their best judgment for the treated area.

Weather permitting we plan to apply dust control around May 19th. The second application will be sprayed around July 28th, county date pending. **If you want two applications both must be turned in by due date.** Product SDS sheets are available upon request at Smith Fertilizer & Grain.

CUSTOMER RESPONSIBILITIES PER COUNTY

- 1.) Customer is responsible for maintaining a suitable driving surface on the treated section of road. Failure to fill any potholes which develop will result in the scarifying or blading of the affected area. This will be done without prior notice to the applicant, to restore the treated section of the road to satisfactory driving surface.
- 2.) The undersigned applicant hereby covenants and agree to accept any and all liability in connection with any accident, which might result at the time of the application of the dust control or any accident which might occur at a future date as a result of the treated condition of the road.
- 3.) The undersigned hereby covenant and agree to indemnify Lucas County for any liability which might occur because of the treated condition of the road in consideration of Lucas County's permission to the undersigned to treat said road.
- 4.) This agreement will become effective May 1st of the present year and will expire on October 1st of the present year.

*****Payments will be processed when application is received*****
